

Signature Estate Cocktail

Cocktails featuring the estate grown botanicals, complimented with locally sourced distillates. The marriage of ingredients showcases both unique aspects of our Region and the producer passion underpinning the Hunter Valley.

Honey

25

The estate is home to a colony of 200,000 bees, which support the local farming community and can be seen pollinating our gardens. The honey is featured as the sweetener in our take on the house made cold drip espresso martini, partnered with Mr Black from Distillery Botanica at Erina, Central Coast, and Murray's Vodka from Bobs Farm.

Rosemary

25

While taking a stroll around the estate, you will see rosemary throughout our gardens. Our hand crafted rosemary syrup partnered with Sparrow Jack from Newcastle Distillery combined with a hint of grapefruit and topped with Margan Off- Sweet Vermouth, Broke.

Chili

25

The estate veggie garden is home to an array of produce and a selection of chilies. They are dehydrated for 48 hours and blended with sea salt. The chili is paired with Mr Black Amaro from Distillery Botanica at Erina, Central coast, and a splash of tequila over ice.

Lavender

25

It is said that Lavender has many healing properties. Our lavender is steeped into a syrup and served with Farmers Wife Gin, Allworth, hand crafted in small batches with 13 native Australian flavours. We add a hint of Lemon Myrtle Liqueur from Distillery Botanica, Erin, to enhance the botanical aromatics and served sweet and neat.

Rose

25

We pride ourselves on the 300 roses throughout the estate and it is only fitting to be featured as a Signature Cocktail. To showcase the rose we keep it clean with a Finnish style of vodka from Murray's Brewery, Bobs Farm, and Hunter Valley Distillery, Pokolbin, Turkish Delight Liqueur. A hint of elderflower and rose water mist, chilled and neat.

Mint

25

The easiest of herbs to grow, and beautifully fragrant. A slight twist on the 'Old Cuban' classic- served with Black Gate Rum from Mendooran, citrus, a dash of local sparkling wine and generous portion of mint.
