Kirkton Park
Hunter Valley

There's a better way to meet

With our industry leading, fully sustainable Day Delegate Package

We are incredibly proud to announce the launch of our Sustainable Day Delegate package - an industry first offering that doesn't just include 2 or 3 sustainable elements, but rather gives you the option to make your entire event sustainable, considering every detail.

From the food you eat, to the lights you turn on, to the activities you complete and even the ground you tread - this package celebrates our commitment to providing exceptional business event experiences that support our journey to tomorrow.

My entire event, fully sustainable? You heard it.

Each menu is created using fresh ingredients from our on-site voco kitchen garden or sourced from regional suppliers within a 100km radius

You'll enjoy local wines and craft beer from the Hunter Valley's best vineyards and distilleries

Sleep on super comfy mattress toppers and soft linen made from recycled plastic bottles

Turn on lights, charge laptops and connect to free wi-fi powered by our large solar farm

Unlock your room with bamboo key cards then spruce up under water saving rainfall shower heads coupled with bathroom bulk amenities

Feel like a snack? Order room service from our paperless QR code compendium

Explore our 70-acres of gardens fed with recycled water and irrigated from our dam

We'll take the team on a sustainability walk, a unique on-site activity followed by a refreshing estate grown cocktail garnished with herbs from our kitchen garden

Travelling up with an EV? Charge it while you're here at one of our dedicated charging stations

Any left over food will not go to waste. Our full time resident waste managers (pigs & chickens) will love you for not being able to finish your dinner

To say thank you, take home our complimentary Estate Signature Salt - bottled and made on-site with rose petals from our 30-year-old rose garden, lavender & chili

Lastly, when you hold a buyout event with us, we'll plant a dedicated tree on our estate with matching plaque etching your event into our properties history for generations to come

What you will find:

- Recycled paper note pads
- Recycled pens
- Whiteboard

And what you won't:

- Single use plastic
- Paper serviettes
- Paper take away cups
