## Wine Olympics Faster, Higher, Stronger – Together

Experience the team spirit of the Olympics with an award-winning team-building activity at voco Kirkton Park Hunter Valley. Perfect for your end-of-year celebrations, upcoming conferences, or 2025 kick-off events.

### The Experience

Rather than running, jumping and swimming your way to victory, teams will tackle a unique series of events – Grape Stomping, Cork Tossing, Waiter Relay and Grape Catapults. The key benefits include having fun while the group collaborates and works as a team in a friendly yet competitive environment.

There is no drinking involved, just lots of fun and games as teams compete in a very different kind of Olympics.

### Package

Package this together with 2 nights of boutique accommodation, daily breakfast, a paddock-to-plate dinner, a wood-fire pizza dinner and a one and a half day delegate package from just \$929 per person\*\*.

Already booked your conference with us? Add this team building activity on for \$2,310.00
